

Merchant Card Services

Give Your Customers More Ways To Pay

What is Merchant Card Services?

Merchant Card Services provides you with the ability to accept a variety of consumer payment methods via credit cards and debit cards. We offer this service through locally based, reliable credit card processors capable of handling all your transaction processing needs with speed, ease and security. Offering the most popular payment options available to consumers helps you both reduce risk and gain versatility in your business while maintaining low rates and you bottom line.

Benefits

CONVENIENCE - Allow your customers to pay with a credit card, debit or gift card.

REDUCED EXPENSES - Save with competitive rates and a free cost comparison.

INCREASED EFFICIENCY - Your money is available sooner.

SUPPORT - Processors are available all day, every day to answer any questions you may have.

PEACE OF MIND - Processors are local and committed to meeting your needs.
